

# Medi X-TABB™ Base Sell Sheet

Medi X-TABB™ Base is a sugar-free fine powder oral disintegrating tablet base compatible with a wide range of APIs and an effective alternative to Medi-RDT™ Base. This base has excellent friability properties in tablet form and will easily disintegrate in the presence of water. Medi X-TABB™ Base is naturally sweetened with stevia and enhanced with natural Bitter-Bloc™ Technology for optimal palatability and ease of use.
