PRODUCT NO.: 5798

Pill Crusher Accessories, LDPE, Clear Plastic Pouch, 50mm x 120mm (Powdercrush)(PK/8000)

DESCRIPTION: These crushing pouches can hold a large number of tablets at once, avoiding the need to crush individual medications. They are also made of tough, puncture proof plastic to avoid any cross contamination between patients due to dust residue on the crushing units. These bags prevent the need for cleaning the crusher between patients.
