**PRODUCT NO.: 6492**

## **CHEMOPLUS ABSORBENT PAD, COVIDIEN** 12" × 12", w/Green Z Solidifying Agent

**DESCRIPTION:** These pads are impregnated with Green Z solidifying agent to instantly turn liquid spills into a semi-gel.

### **FEATURES:**

- ✔ Latex free
- ✔ Highly absorbent and lint-free. This reduces particulates in or around pharmacy compounding areas
- ✔ Solidifying agent instantly turns liquid spills into a semi-gel for a quick and safe spill recovery

### **ADDITIONAL INFORMATION:**

- ✔ These pads can be used on body fluids or any water-based fluid
- ✔ The pad will absorb approximately 13 oz depending on the viscosity of the liquid
