

PRODUCT NO.: 8002

PROFILLER 3700 CAPSULE FILLING SYSTEM, TORPAC (SIZE 0)

300-Hole Capsule Machine

DESCRIPTION: ProFiller 3700 is the new standard in 300-hole bench-top capsule filling systems. Experienced users like the higher output, fast size changes, easy to clean design & optional accessories. First time users love the ease-of-use & upgrade options.

Everything you need to fill one capsule size: Hand-Held Filler Base, Orienter Base and Locking Plate / Change Parts for one capsule size: Caps Tray, Body Sheet Set (A, B, C), Spacer Plate, Capsule Locker, Orienter Tray / 300-pin tamper / Powder Spreader / Powder Tray + Powder Tray Clamps / Illustrated Manual / Plastic storage box / Empty and Locked Capsule Bins / Set of empty capsule measuring bowls

FEATURES:

- Shipped fully assembled. Ready for use in less than 1 hour.
- Easier to use than other 200 or 300 hole systems.
- Dishwasher safe Inox (SS316) powder contact parts. Filler base in lightweight, corrosion resistant anodized aluminum.
- Change capsule sizes in only 5 minutes. Change Parts for Size 000-4 & 00el-2el.
- Orienter Base accommodates capsule sizes 00-4. Size 4 requires Bottom Plate 7180-01 for usage.
- All metal parts Inox (SS316) for reduced static
- Adjustable capsule body height to make over-filling easier & faster. Unique features include lightweight 2-piece orienter (3700), orienter locator and oversize Powder Tray & Push Plate.
- Designed for fast disassembly & visual verification of cleaning.
- Adjustable capsule body height to make over-filling easier & faster.
- Fill weights, USP/EP method within $\pm 1-3\%$ of average. Typically all 300 capsules/batch are within $\pm 4-7\%$ of target. More info at <http://www.profiller.com/3fw>.
- Works with all capsules including gelatin, vegetarian/HPMC and starch capsules.
- Tamper size range optimized for higher fill weights and faster filling.
- Indicator gauges to assist in capsule orientation, separation and locking.
- 3700 fully locks capsules after filling, unlike most hand-held fillers - saving you time and frustration!
- Video tips at www.profiller.com. Well-illustrated manuals in multiple languages.
- Compliance: CE, cGMP (validation package available upon request)
