MEDISCA's **Chew-A-Treat** product line represents a simple, unique, and convenient avenue for dispensing chewable animal treats that any cat or dog would love! Discover the solution veterinarians have been waiting for!

1 COMPOUND KIT

COMPOUND A (For Canines and Felines)

- Premade Gelatin Gum base conveniently processed into small solid pieces
- Consistent, stable and extremely easy to use

COMPOUND B (For Canines Only)

- Irradiated blend, free of fillers, artificial preservatives, colorings and flavors
- Unique ground formula of high quality ingredients such as Omega 6 & 3 fatty acids

COMPOUND C (For Felines Only)

- Blend free of fillers, artificial preservatives, colorings and flavors
- Unique finely-ground, irradiated formula contains highest quality of animal protein formulated with constant nutritional ingredients

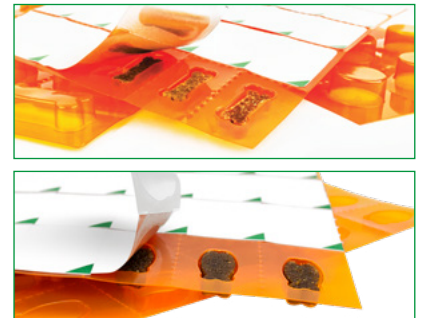

2 LIGHT-WEIGHT PVC MOLDS

- Small Bone Mold - Contains 60 cavities of 1 mL (Extractor included)
- Large Bone Mold - Contains 60 cavities of 4 mL (Extractor included)
- Circular Mold - Contains 30 cavities of 3.8 mL
- Fish shaped mold - Contains 60 cavities of 1 mL (Extractor included)
- Refrigeration no longer needed to remove treats from molds

3 CUSTOMIZED AIR-TIGHT BLISTER PACKS

- Perfect unit-dose packaging options available for each mold size
- Blister sheets offered in amber color for UV inhibition
- Supplied with laser labels for medication identification (in 8.5" x 11" sheets)
- Cold seal, tamper-evident foil labels designed to meet USP Class B requirements
- Word templates available online for label printing
- U.S. Patent No. D679,196 S and D679,197 S

Chew-A-Treat[®] Starter Kits
